

SUMMER EXPERIENCE OFFERINGS

The fun doesn't stop when the school year ends! St. Peter's School will host eight weeks of summer excitement. Camp discovery will provide parents with an enriching summer option where kids are free to play, laugh, build, and participate in activities of interest, which will result in fun lasting memories.

Our summer camps are open to the public as well as current students of St. Peter's-ages 3 (potty-trained) through rising fifth grade, with children grouped by age and interest. Act, cook, build and create, this camp keeps brains buzzing and hand moving!

"Although it is a structured program, it is disguised as fun," says Head of School, Meredith Ruffner.

"Camp Discovery is offered as a service to our parents. It is filled with activities that compliment and enhance the learning experience that students receive during the regular school year. As we developed the program, we did so with the goal of meeting the needs of our families while providing the best program possible for the student."

Mornings are spent in a variety of activities from free choice centers to those that mimic many of the enrichments students have during the school year, such as PE, art, music and library. In-house field trips and special events throughout the summer will keep students eager to see what's coming next!

The camp runs from 8:30 a.m. to 3:00 p.m. Monday through Friday, with morning and extended care available. Preschool aged students will have a designated nap/rest time. A non-refundable \$55 registration fee is applicable for new students and \$10 for current students of St. Peter's. Fees include a camp t-shirt, morning and afternoon snacks-but children will be required to bring their lunch. We hope you come and experience summer fun at St. Peter's School!

Join the fun at Camp Discovery!

Weekly themes will keep your child excited, entertained and enthusiastic about the summer at St. Peter's.

TREASURE ISLAND (June 4-8)

Ahoy, mateys! Join the captain and his team for a week designed to spark your child's imagination and tickle their funny bone. Decoding pirate maps, scavenger hunting for buried treasure, signing chanties of the raging seas, costuming with eye patches and more-- we will race to the Barbary Coast and return home with tales of mighty adventures!

MAD SCIENTIST (June 11-15)

Put on a lab coat and get ready to experiment with all sorts of projects and concoctions. Imaginative activities will develop creative thinking skills and inspire self-expression! Measure, mix, stir and combine all kinds of ingredients, including your imagination, to make your own unique creations!

WILD WEST (June 18-22)

Put on your cowboy and cowgirl hats and giddy up into this week's theme on the Wild Wild West. Boots, bandanas, line dancing-kids will be thrilled to explore! You'll find a round-up of stories, recipes, and games that will make you shout "Yee-haw!" Children dance, sing, gallop, and more as they learn about the culture, clothing, setting, and people of the Wild West.

SUPER HEROES TO THE RESCUE (June 25-29)

Save the world. Stand for truth and justice. Fight crime and join the superhero action squad formed to defeat the rising force of evil. Come dressed as your favorite superhero or make up your own special character.

THE WORLD OF OUTER SPACE (July 9-13)

Are you prepared to embark on the greatest adventure ever seen in a galaxy long ago and far away? From our Earth's atmosphere to the outer reaches of our solar system, this hands-on program sends campers on a quest for exploration! Comets, planets, stars and more are all waiting to be discovered.

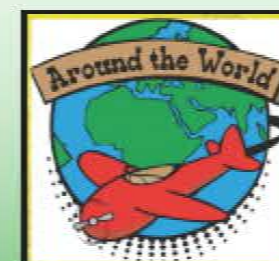

THE SAND & SEA (July 16-20)

Dive into the watery realm of all things aquatic. We will explore life under the sea through nature and craft projects, storytelling, and more. Experiment with watercolors and create your own expressions of life under the sea. Of course, no Under the Sea week would be complete without some wet, wild, and wacky water games as we'll find plenty of ways to beat the summer heat!

SUMMER SAFARI (July 23-27)

This week students will get wild about Nature! Students will explore the wilderness right here on St. Peter's campus. They will learn about native plants, animals, & habitats through outdoor exploration, games, stories, and scavenger hunts. They will also focus on topics like healthy living and gardening.

AROUND THE WORLD IN 5 DAYS (July 30 -August 3)

Grab your passport and suitcase and let's travel around the world without even leaving the campus of St. Peter's School. Each country has something different to share: dancing, crafts, culinary activities, and music too!
